Review i Stonewords A Ghost Story i by Pam Conrad

I must admit, I read this book with a complete biasI remember loving it as a child. My copy of Stonewords has a tattered cover, yellowing pages, and a Lisa Frank sticker inside the back cover. The publishing date and sticker are clues that I probably read this book between the ages of 8 and 10, around the main character's age.

Stonewords A Ghost Story by Pam Conrad LibraryThing

Its a wonderful ghost story about a little girl and a ghost with the same name. My daughter is only 8 now, but I've started her on chapter books and when she's a couple of years older I'll be getting her this book. I really learned to love to read after reading this book and I hope it does the same for her.

Stonewords A Ghost Story by Pam Conrad goodreads com

This was another book that I read over and over when I was young. I think I got it from a book fair, and

I loved it. The ghost story was creepy enough to give me goosebumps on the 23rd read-through, but not scary enough to give me nightmares.

<http://my-friend.co/Stonewords--A-Ghost-Story-by-Pam-Conrad-goodreads-com.pdf>

Stonewords A Ghost Story book by Pam Conrad

The ghost story aspect was never used solely for scares or horror. It's a great read and at the same time, a story that stays with you. That's not something that can be said about all "ghost" books. Thank you, Ms. Conrad.
